OPENING OF NEW RAMP FROM NORTHBOUND I-95 TO WESTBOUND I-695 DELAYED

BALTIMORE, MD – Due to weather and pavement conditions, crews will be unable to open the new ramp from northbound Interstate 95 to westbound Interstate 695 Sunday, Nov. 16 as previously scheduled.

Weather conditions will determine the new date of the ramp opening.

Once the ramp is open, the existing traffic pattern will change significantly. Vehicles will exit northbound I-95 on the right AND enter westbound I-695 from the right lane rather than the left as they do now. Traffic will enter I-695 in the area of the Lillian Holt Drive overpass.

Visit **I95ExpressTollLanes.com** for project information, live traffic images and the ETLs Project video. For Express Toll Lanes active lane closures and for traffic information statewide, visit **traffic.md.gov**.

The Maryland Transportation Authority is an independent State agency that finances, owns and operates the State's seven toll facilities. The Authority's eight Members, appointed by the Governor with consent of the State Senate, serve as the agency's policy-setting and governing body. Maryland's Secretary of Transportation serves as Authority Chairman.
